## 2008 Teacher-Training Program at Graduate School of Education

### ◇About Wakayama University

#### 1. University's Overview

Wakayama University was established in May 1949 as a new style of university. In the beginning, there were two faculties – the Faculty of Liberal Arts (currently the Faculty of Education), and the Faculty of Economics. In October 1995, Faculty of Systems Engineering was established, and in April 2008 a new faculty, 'Tourism faculty' has just begun. Wakayama University has been marking another step in the healthy development as the only national university in Wakayama Prefecture.

#### 2. Introduction of the related school

Graduate School of Education is in charge of this program. The School has 12 master's programs in two graduate courses: School Education and Development Support Education in the School Education course; and Social Studies, Mathematics, Science, Music, Arts, Physical Education, Technology, House holding and English Education in the Subject-Oriented Education. Many of the graduate students are teacher-trainees.

#### 3. Location

The University is located in Wakayama City, which has about 400,000 population. It takes about 1 hour from Osaka and about 30 minutes from KANSAI International Airport. This is a comfortable place to learn and live in, surrounded by beautiful landscape.
