

# University of Yamanashi

(Yamanashi Pref.)

## Specialist training for practical education research

### ◇University overview

#### (1) Characteristics and History

The University of Yamanashi has three faculties: the Faculty of Education and Human Sciences, the Faculty of Medicine and the Faculty of Engineering, and two graduate schools: the Graduate School of Education and the Graduate School of Medical and Engineering Science Department of Education. The Faculty of Education and Human Sciences has several attached schools (Kindergarten, Elementary School, Junior High School and School for Children with Disabilities) and Center for Educational Research. The Graduate School of Education, Teacher-Training Program students will be enrolled in, is comprised of three fields of specialization: School Education, Education for Children with Disabilities and Science of teaching and Learning.

#### (2) Local area surrounding the University

The campus of the University of Yamanashi is in a quiet residential district in the city of Kofu, the capital of Yamanashi Prefecture, and about 15 minute walk from Kofu Station to the north. It is also situated in a scenic natural environment, with the famous Mt. Fuji viewed to the south and the Southern Alps of Japan to the west.

Kofu City is only about seventy kilometers west of Tokyo and can be reached within an hour and a half from the center of Tokyo by express.

#### (3) International Exchanges (As of May 1, 2009 ) Number of International Students 206 from 21 countries.

The University previously had a student every year between 2001 and 2004 from the Teacher Training Program and currently have one student in 2008.

### ◇Outline of the course in brief

#### (1) The characteristics of the program

This course has an excellent curriculum for experts engaged in the research of practical instruction and allows students to take advantage of the latest research work in educational science in Japan. In this course we also emphasize education for fostering students' advanced practical teaching abilities with balanced theory and practice combinations by cooperating with schools attached to the university and with the Center for Education Research. In addition, this course utilizes not only the conclusions of these educational studies but also the results of Japanese cultural studies.

The program of this course consists of many unique subjects and lectures. A small number of students will take part and they will be enthusiastically guided by experienced teaching staff, enabling students to study the findings of advanced educational research work in the specialist areas. At the same time, participants in this course can become acquainted with the current condition of Japan's schools and acquire knowledge of Japanese culture.

#### (2) Number of students to be accepted

1 student by each academic advisor and 5 students in total

#### (3) Preparatory Japanese Language Education

a) Japanese Language Pre-session Intensive Training Courses at the International Student Center. Two levels, elementary and intermediate levels are available.

Course period: October 1, 2010 to March 31, 2011

b) Japanese Language Classes for international students

In order to develop Japanese proficiency further, Japanese classes are available from pre-intermediate to advanced level throughout the year. Two subjects, Japanese Affairs and Inter-cultural Communication can be taken in the mixed class environment with Japanese students.

c) Supplementary classes

Three supplementary classes can be taken according to the proficiency level.

#### (4) Academic training

a) Course, type of teaching, etc.

A seminar using a textbook written in English

b) Subjects or courses taught in English, if any.  
Some of the advisers will give lectures in English, if necessary.

c) Academic instruction and support will be offered individually by each academic advisor, according to students' specialities and objectives.

#### ◇Accommodations

Kofu International Student House...

(Single 33, Couple 1, Family 1)

Tamaho International Student House, Medical Campus...

(Single 12, Couple 6, Family 5)

Kobara International Student House...

(6 rooms)

It normally takes only 5 minutes by bike from the University to Kofu International Student House.

While a warden is available during daytime on weekdays, two of the the Japanese House tutors stay during the nighttime and weekends.

There are various events organized at the House.

#### ◇Contact office

# YOKOHAMA NATIONAL UNIVERSITY

## Characteristics of the Course

The students in this course will have a good chance to study any aspects of school education ranging from methodology to every school subject, under the guidance of faculty advisors.

### ◇University overview

#### (1) Characteristics and history

Established in 1949, Yokohama National University has four Faculties of Education and Human Sciences, Engineering, Economics, and Business. It also has graduate schools of Education, Engineering, Environment studies, and International Social Sciences. Located in the Tokyo-Yokohama Metropolitan area, Yokohama National University prides itself in having a most favorable environment for academic studies. It also provides the students with opportunities to encounter experiences in culture and art.

#### (2) Number of students (May 1, 2009)

Undergraduates : 7,480 (230☆)

Graduate Students : 1,966 (409☆)

Total : 9,446 (639☆)

☆= Number of international students

#### (3) International exchanges

a) Various facilities provide opportunities for the international students to fully participate activities on campus.

b) The University has a long history of accepting researchers and students from overseas.

c) Acceptance in past 5 years in this program  
2005 : 10 (Ghana, Egypt, Myanmar, Morocco etc.)  
2006 : 8 (Indonesia, Thailand, Mongolia etc.)  
2007 : 7 (Korea, Vietnam, Argentine etc.)  
2008 : 9 (Korea, Thailand, Indonesia etc.)  
2010 : 3 (Korea)

### ◇Outline of "teacher training" course

#### (1) Characteristics of the program

Yokohama National University offers a variety of specialized fields available for visiting teacher-training program students. It also provides the participants good individual attention to cope with their needs and possible problems. Supporting the program since its beginning, YNU has already educated 221.

#### (2) Number of students to be accepted Not exceeding 10

#### (3) Brief outline of the course

##### ① Preparatory Japanese language education

Students will take Japanese language lessons as follows:  
a) In-Service Foreign Teacher Training Program  
Four-days-a-week special program provided for the students between October 2010 and March 2011.

##### b) Supplementary course

After the 6 months special program, the students will be able to attend regular classes based on their choices and ability for the remaining one-year.

##### ② Academic training

##### a) Course, type of teaching, etc.

The students pursue their academic work under the guidance of their respective faculty advisers. They can also have help of graduate student who will be assigned as individual tutors. The last six months of their stay will be exclusively devoted to the writing of academic reports. English proficiency is required when students get advised by English speaking advisers.

##### b) Courses taught in English

Few classes are given in English. But, the Center for International Students offer many classes in English.

##### c) Others

The students participate in field trips every Wednesday, visiting schools, museums, etc. Since these activities are held basically in English, students have to have English proficiency.

### ◇Accommodations

We are capable of providing the participants with lodgings only for the first 12 months, due to a capacity shortage at our dormitory. Afterwards, the TTP-students will be required to leave the dormitory and rent an accommodation on their own expense.

Foreign Student House	Rent etc.	¥14,800~
Equipment	Bed, Desk, Swivel Chair, Wardrobe, Unit-bath, Air-conditioning, Sink	
Address	3minutes on foot from Gumyoji Subway Station	
Minesawa International Student Dorm.	Rent etc.	¥8,700~
Equipment	Bed, Desk, Swivel Chair, Locker, Sink, Toilet	
Address	5minutes on foot from YNU Tokiwadai Campus	

### ◇Local area surrounding the university

The City of Yokohama borders on Tokyo, and although living costs are rather high, it provides foreign students with a comfortable environment because of its long history of international exchange.

The City is also rich in cultural traditions. The old historic city of Kamakura is close by and the Fuji-Hakone-Izu National Park is only a one-hour train ride away.

### ◇Contact position :

Team Graduate School, Faculty of Education and Human Sciences, Yokohama National University

# Wakayama University (Wakayama Pref.)

## 2010 Teacher-Training Program at Graduate School of Education

### ◇About Wakayama University

#### 1. University's Overview

Wakayama University was established in May 1949 as a new style of university. In the beginning, there were two faculties – the Faculty of Liberal Arts (currently the Faculty of Education), and the Faculty of Economics. In October 1995, Faculty of Systems Engineering was established, and in April 2008 a new faculty, 'Tourism faculty' has just begun. Wakayama University has been marking another step in the healthy development as the only national university in Wakayama Prefecture.

#### 2. Introduction of the related school

Graduate School of Education is in charge of this program. The School has 12 master's programs in two graduate courses: School Education and Development Support Education in the School Education course; and Social Studies, Mathematics, Science, Music, Arts, Physical Education, Technology, House holding and English Education in the Subject-Oriented Education. Many of the graduate students are teacher-trainees.

#### 3. Location

The University is located in Wakayama City, which has about 400,000 population. It takes about 1 hour from Osaka and about 30 minutes from KANSAI International Airport. This is a comfortable place to learn and live in, surrounded by beautiful landscape.

#### 4. The number of faculty members and students(2009)

The number of faculty members: 523名  
The number of students : undergraduate 4133,  
graduate school 515,  
Postgraduate Course in Special Education 6

#### 5. Current situation of International exchange(2009)

The number of Overseas students: 149(17 countries)  
The number of the students of this program : 3

### ◇Program Guide

#### 1. Characteristics of the program

- ①A curriculum will be arranged to meet the demands of the students with the aid of the supervisor.
- ②Practical Teaching will be offered in cooperation with our Attached Schools and other educational institutions.
- ③ Advice and instruction will be given to the students about their study and research, as well as about their daily life.

2. **Number of Students to be accepted:** approximately 16

#### 3. Outline of the program

①Japanese Language Education (October, 2010 ~ March, 2011)

Students are required to attend the Basic Course in Japanese at the other institution designated by the Ministry of Education, Culture, Sports, Science and Technology (MONBUKAGAKUSHO).

②Major course: Specialized course (April, 2011 ~ March, 2012)  
(Summer break is August and September)

At Wakayama University

a)Types of teaching or training: Lecture, Seminar, Fieldwork  
Students should select courses at the Graduate School of Education. Academic advisor will give students some advice to meet their needs.

b) Subjects or Courses taught in English: None

③Extra courses of Japanese Language Education  
(April, 2011 ~ March, 2012, Summer break is August and September)

- i ) Japanese Language and Culture
- ii ) Japanese I A~ I D
- iii ) Japanese II A~ II D
- iv ) Japanese Culture and Affairs
- v ) JAPAN STUDY

#### ④Others

Students have the opportunity to go on a study trip and get information on joining in sightseeing to the historical, cultural places in Kinki Area (Kyoto, Nara etc.).

### ◇Accommodations

There is a dormitory "International House" available for foreign students. Due to a large number of coming students, however, sometimes we can't guarantee residence therein. So, in that case, some students may be accommodated in private lodging near the campus.

○Number of rooms

- for single room: 24
- for Husband and wife: 0
- for family room: 0

○Student dormitory fee :9,500yen (include common use fee)

○facilities

bed, table, desk, locker, prefabricated bath, air conditioner

○commuting time:

by bicycle: 40~50minutes  
by bus: 30~40minutes
