

Global 30 Course List

As of 1st September, 2016

1. Course List by University (P. 1 - 13)

No.	Course title	Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
			Bachelor	Master's	Doctoral	Professional Master's		
Tohoku University	1 Advanced Molecular Chemistry Course (AMC)	Faculty of Science	○					May
	2 International Mechanical and Aerospace Engineering Course (IMAC - U)	School of Engineering	○					May
	3 Applied Marine Biology Course (AMB)	Faculty of Agriculture	○					May
	4 International Mechanical and Aerospace Engineering Course (IMAC - G)	Graduate School of Engineering		○	○			Early January and Late June
	5 International Materials Science and Engineering Course (IMSE)	Graduate School of Engineering		○				Early January
	6 International Environmental Leadership Program (IELP)	Graduate School of Environmental Studies		○	○			May
	7 Global Program in Economics and Management (GPEM) & International Program in Economics and Management (IPEM)	Graduate School of Economics and Management		○	○		○	Master's : February to April Doctoral : March
	8 Information Technology and Science Course (ITSC)	Graduate School of Information Sciences		○				Early January and July
	9 Interface Oral Health Science Course (IOHS)	Graduate School of Dentistry			○			June And November
	10 Basic Medicine Course (BMC)	Graduate School of Medicine		○				August
	11 Network Medicine Course (NMC)	Graduate School of Medicine			○			August
	12 International Graduate Program in Language Sciences (IGPL)	Graduate School of International Cultural Studies		○	○			May
	13 International Doctoral Program in Engineering, Information Sciences, Environmental Studies and Biomedical Engineering (EISEBE)	Graduate School of Engineering / Graduate School of Information Sciences / Graduated School of Environmental Studies / Graduate School of Biomedical Engineering			○			May
	14 International Graduate Program for Advanced Science (IGPAS)	Graduate School of Science		○	○			November
	15 International Post-Graduate Program in Human Security (IPHS)	Graduate School of Medicine / Graduated School of Environmental Studies / Graduate School of Agricultural Science / Graduate School of International Cultural Studies		○	○			August
	16 International Course of Life Sciences (ICLS)	Graduate School of Life Sciences		○	○		○	July and October
	17 International Graduate School of Accounting Policy (IGSAP)	Graduate School of Economics and Management		○				December and April
	18 Data Sciences Program (DSP)	Graduate School of Information Sciences / Graduate School of Life Sciences / Graduate School of Economics and Management / School of Engineering		○	○			January
University of Tsukuba	19 Interdisciplinary Program of Life and Environmental Sciences	School of Life and Environmental Sciences	○				○	January
	20 Undergraduate Program of International Social Studies	School of Social and International Studies	○					January
	21 International Undergraduate-Education Program for Medical Scientists	School of Medicine and Medical Sciences (School of Medical Sciences)	○				○	February
	22 Professional Training Program in International Agricultural Research	Graduate School of Life and Environmental Sciences		○				January
	23 International Bioindustrial Sciences Course	Graduate School of Life and Environmental Sciences			○			January
	24 Biodiplomacy Course	Graduate School of Life and Environmental Sciences		○				July
	25 Sustainability Sciences, Technology, and Policy Program (SUSTEP)	Graduate School of Life and Environmental Sciences		○	○			April
	26 Arid Land Resources Sciences Course	Graduate School of Life and Environmental Sciences			○			January / April

***The deadlines are subject to change. Please check the website of each university for the latest information.**

No.	Course title	Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
			Bachelor	Master's	Doctoral	Professional Master's		
University of Tsukuba	27 International Agricultural Sciences Program	Graduate School of Life and Environmental Sciences			○			January
	28 Special Program for Central Asian Countries in International Relations and Public Policy	Graduate School of Humanities and Social Sciences		○				January
	29 Special Program in Japanese and Eurasian Studies	Graduate School of Humanities and Social Sciences		○				January
	30 Special Program in Japanese and Central Eurasian Studies (1+3 Combined MA and PhD Program)(SPJES)	Graduate School of Humanities and Social Sciences		○				January
	31 Special Program in International Relations	Graduate School of Humanities and Social Sciences		○				October
	32 ABE Initiative (African Business Education) Program	Graduate School of Humanities and Social Sciences		○				October
	33 Program in Economic and Public Policy	Graduate School of Humanities and Social Sciences		○				March
	34 Program in Economic and Public Policy (PEPP), Course in Economic Policy (CEP) General Track (PEPP - CEP - GT)	Graduate School of Humanities and Social Sciences		○				August
	35 Master of Public Health Program	Graduate School of Comprehensive Human Sciences		○				September
	36 Dual Master's Degree Program	Graduate School of Comprehensive Human Sciences		○				September
	37 Special Selection of overseas residents	Graduate School of Comprehensive Human Sciences			○			September
	38 Master's Program in Sport and Olympic Studies	Graduate School of Comprehensive Human Sciences		○				March
	39 Joint Master's Program in International Development and Peace through Sport	Graduate School of Comprehensive Human Sciences		○				Early September
	40 Computer Science English Program	Graduate School of Systems and Information Engineering		○				July / January
	41 Graduate School of Business Sciences, MBA Program in International Business	Graduate School of Business Sciences				○		Early October
	42 Materials Science and Engineering Course	Graduate School of Pure and Applied Sciences		○				July / January
	43 Physics Course	Graduate School of Pure and Applied Sciences		○				July
	44 Nano Chemistry Course	Graduate School of Pure and Applied Sciences		○				July
	45 Nano Science Course	Graduate School of Pure and Applied Sciences		○				July / January
	46 Materials Science Course	Graduate School of Pure and Applied Sciences		○				July / January
	47 Lis English Program	Graduate School of Library, Information and Media Studies		○				December
	48 English Program	Graduate School of Library, Information and Media Studies			○			December
The University of Tokyo	49 PEAK - International Program on Japan in East Asia	College of Arts and Sciences	○					October to November
	50 PEAK - International Program on Environmental Sciences	College of Arts and Sciences	○					October to November
	51 Global Science Course (GSC) Undergraduate Transfer Program [Department of Chemistry]	Faculty of Science	○				○	Early April (Fall admission)
	52 International Program in Economics	Graduate School of Economics		○	○			Master : July for April / September enrollment of the following year Doctor : May for September enrollment, December for April enrollment
	53 Graduate Program on Global Society (GSP)	Graduate School of Arts and Sciences		○	○			January

54	Graduate Program on Environmental Sciences (GPES)	Graduate School of Arts and Sciences		○	○			Schedule 1 : November Schedule 2 : June - July
55	Global Science Graduate Course (GSGC)	Graduate School of Science		○				November - January
56	Master's / Ph. D Program at Frontier Science Research Centers	Graduate School of Science		○	○			November - December
57	Graduate Program for International Students	Graduate School of Science		○	○			For university - recommended MEXT scholarship applicants : November - December / For embassy - recommended MEXT scholarship applicants : August / For all other : October for April enrollment, April for September enrollment
58	International Graduate Program in the Field of Civil Engineering and Infrastructure Studies	Graduate School of Engineering		○	○			September to November
59	International Multidisciplinary Engineering Graduate Program	Graduate School of Engineering		○	○			September to November
60	Special Graduate Program in Resilience Engineering	Graduate School of Engineering		○	○			September to November
61	Graduate Programs for International Students in Urban and Environmental Studies	Graduate School of Engineering		○	○			September to November
62	Specially - Promoted Graduate Program for Creation of the Asian Engineering Framework Based on Tripolar Alliances among Japan, China and Korea	Graduate School of Engineering			○			T. B. A.
63	International Bioengineering Program	Graduate School of Engineering		○				September to November
64	Architecture and Urban Design Program	Graduate School of Engineering		○				September to November
65	International Technology Management Program in the Department of Technology Management for Innovation (TMI)	Graduate School of Engineering		○				September to November
66	International Program in Agricultural Development Studies (IPADS)	Graduate School of Agricultural and Life Sciences		○	○			December (Round 1) and March (Round 2)
67	Global Health Sciences : Program in International Health	Graduate School of Medicine		○	○			Master's Program : the beginning of July Doctoral Program (September admission) : the end of May - the beginning of June Doctoral Program (April admission) : the beginning of January
68	Environmental Studies Program - Asian Development Bank (ADB) Japan Scholarship Program	Graduate School of Frontier Sciences		○				By early December for fall enrolment of the following year
69	Graduate Program in Sustainability Science - Global Leadership Initiative (GPSS - GLI)	Graduate School of Frontier Sciences		○	○			By end of November for fall enrolment of the following year

***The deadlines are subject to change. Please check the website of each university for the latest information.**

No.	Course title	Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
			Bachelor	Master's	Doctoral	Professional Master's		
The University of Tokyo	70 The English Program in Information Science and Technology	Graduate School of Information Science and Technology		○	○			June and December Note : Department of Mathematics, Department of Information Physics & Computing, Department of Mechano - Informatics of Master's program application period is only once a year (June)
	71 International Master's / Doctoral Degree Program : Information, Technology, and Society in Asia (ITASIA)	Graduate School of Interdisciplinary Information Studies		○	○			January
	72 Master of Public Policy, International Program (MPP / IP)	Graduate School of Public Policy				○		◆World Bank & ADB Scholarships : around November - early December ◆IMF - JISPA Scholarships (apply to IMF directly) : around October - November ◆Non WB / ADB / IMF Scholars : around November
Nagoya University	73 Automotive Engineering Program	School of Engineering	○					December 26, February 22 (For October 2017 intake)
	74 Fundamental and Applied Physics Program	School of Science / School of Engineering	○					December 26, February 22 (For October 2017 intake)
	75 Chemistry Program	School of Science / School of Engineering	○					December 26, February 22 (For October 2017 intake)
	76 Biological Science Program	School of Science / School of Agricultural Sciences	○					December 26, February 22 (For October 2017 intake)
	77 Program in Social Sciences	School of Law / School of Economics	○					December 26 (For October 2017 intake)
	78 Japan-in-Asia Cultural Studies Program	School of Letters	○					December 26 (For October 2017 intake)
	79 Automotive Engineering Graduate Program	Graduate School of Engineering		○				January 30 (For October 2017 intake)
	80 Civil and Environmental Engineering Graduate Program	Graduate School of Engineering		○	○			Master : January 30. Doctral : January 30, May 25 (For October 2017 intake)
	81 Physics and Mathematics Graduate Program	Graduate School of Science / Graduate School of Mathematics		○	○			Master : January 30. Doctral : January 30, May 25 (For October 2017 intake)
	82 Chemistry Graduate Program	Graduate School of Science / Graduate School of Engineering		○	○			Master : January 30. Doctral : January 30, May 25 (For October 2017 intake)
	83 Biological and Bioagricultural Sciences Graduate Program	Graduate School of Science / Graduate School of Bioagricultural Sciences / Graduate School of Medicine		○				January 30 (For October 2017 intake)

	84	Biological and Bioagricultural Sciences Graduate Program	Graduate School of Science / Graduate School of Bioagricultural Sciences			○			January 30, May 25(For October 2017 intake)
	85	Medical Science Graduate Program	Graduate School of Medicine			○			May 25 (For October 2017 intake)
	86	Graduate Program in Economics and Business Administration	Graduate School of Economics			○			January 30 (For October 2017 intake)
	87	Graduate Program in Linguistics and Cultural Studies	Graduate School of Humanities			○			January 30 (For October 2017 intake)
	88	Japan - in - Asia Cultural Studies Graduate Program	Graduate School of Humanities			○			January 30 (For October 2017 intake)
	89	Department of International Development	Graduate School of International Development			○			August
	90	Department of International Cooperation Studies	Graduate School of International Development			○			August, January
	91	Department of International Development	Graduate School of International Development			○			June, January
	92	Department of International Cooperation Studies	Graduate School of International Development			○			June, January
	93	Department of the Combined Graduate Program in Law and Political Science LL. M (Comparative Law) Program in Law and Political Science	Graduate School of Law			○	○		Master's : January, August Doctoral : January
	94	Program for Leading Graduate schools "Cross - Border Legal institution Design"	Graduate School of Law			○	○		Early - January Rolling - June
	95	Young Leaders' Program (YLP)	Graduate School of Medicine			○			October
	96	Transnational Doctoral Programs for Leading Professionals in Asian Countries	Graduate School of Medicine			○			May
	97	Transnational Doctoral Programs for Leading Professionals in Asian Countries	Graduate School of Bioagricultural Sciences			○			July
	98	Transnational Doctoral Programs for Leading Professionals in Asian Countries	Graduate School of Law			○			May
	99	Transnational Doctoral Programs for Leading Professionals in Asian Countries	Graduate School of International Development			○			June
	100	Nagoya University Global Environmental Leaders Program (NUGELP)	Graduate School of Environmental Studies			○	○		July, January
	101	Nagoya University Global Environmental Leaders Program (NUGELP)	Graduate School of Engineering			○	○		Master : June, July Doctoral : July, January
Kyoto University	102	Undergraduate International Course Program of Civil Engineering	Faculty of Engineering	○					August - September (2016*)
	103	International Course in Management of Civil Infrastructure in the Department of Civil and Earth Resources Engineering	Graduate School of Engineering			○			May - June
	104	International Course in Urban and Regional Development in the Department of Urban Management	Graduate School of Engineering			○			May - June
	105	Special Course in Agricultural Sciences - For the Global Future of Life, Food and the Environment	Graduate School of Agriculture			○	○		February (October intake) & August (April intake)
	106	International Energy Science Course	Graduate School of Energy Science			○	○		Master's : February (October intake) Doctoral : February (October intake) & July (April intake)
	107	International Course in Intelligence Science and Technology	Graduate School of Informatics			○	○		June
	108	International Course in Social Informatics	Graduate School of Informatics			○	○		June

***The deadlines are subject to change. Please check the website of each university for the latest information.**

No.	Course title	Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
			Bachelor	Master's	Doctoral	Professional Master's		
Kyoto University	109 International Course in Communications and Computer Engineering	Graduate School of Informatics		○	○			June
	110 Global Frontier in Life Science	Graduate School of Biostudies / Graduate School of Medicine		○				Biostudies : May Medicine : July
	111 Global Frontier in Life Science	Graduate School of Biostudies / Graduate School of Medicine			○			Biostudies : May Medicine : September
	112 International Environmental Management Program	Graduate School of Global Environmental Studies		○	○			July December
	113 International Course in Primatology and Wildlife Research	Graduate School of Science (Primate Research Institute)		○	○			October, April
	114 International Project Management Course	Graduate School of Management				○		August
Osaka University	115 Human Sciences International Undergraduate Degree Program	School of Human Sciences	○					January
	116 Chemistry - Biology Combined Major Program	School of Science, School of Engineering, School of Engineering Science	○					January
	117 International Physics Course	Graduate School of Science		○	○			December and July
	118 Special Integrated Science Course	Graduate School of Science		○	○			December
	119 Biotechnology Global Human Resource Development Program	Graduate School of Engineering		○	○			Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
	120 Special Program of "Engineering Science 21 st Century"	Graduate School of Engineering Science		○	○			Fall Admission : July Spring Admission : December
	121 International Program of Maritime and Urban Engineering	Graduate School of Engineering		○	○			Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
	122 International Priority Graduate Program of "Quantum Engineering Design Course"	Graduate School of Engineering		○	○			Master's : November and May Doctoral : November and July
	123 Information Technology Special Course in English	Graduate School of Information Science and Technology		○	○			Fall Admission : May Spring Admission : October
	124 Chemical Science Course	Graduate School of Engineering		○	○			Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
Kyushu University	125 International Undergraduate Program in Electrical Engineering and Computer Science	School of Engineering	○					January
	126 International Undergraduate Program in Applied Chemistry	School of Engineering	○					January

127	International Undergraduate Program in Civil Engineering	School of Engineering	<input type="radio"/>					January
128	International Undergraduate Program in Mechanical and Aerospace Engineering	School of Engineering	<input type="radio"/>					January
129	International Undergraduate Program in Bioresource and Bioenvironment	School of Agriculture	<input type="radio"/>					January
130	International Master's Program in Japanese Humanities	Graduate School of Humanities		<input type="radio"/>				March
131	International Master's / Doctoral Program in Integrated Science for Global Society	Graduate School of Integrated Sciences for Global Society		<input type="radio"/>	<input type="radio"/>			January (April and October Admission) May (October Admission)
132	International Master's / Doctoral Course in Sustainable Architecture and Urban Systems	Graduate School of Human-Environment Studies		<input type="radio"/>	<input type="radio"/>			December (April Admission) June (October Admission, Only for Doctoral Program)
133	BiP (Bilingual Master's Program in Laws LL. M.)	Graduate School of Law		<input type="radio"/>				May : October Admission (for self - supporting) August : April or October Admission of the following year (for Embassy Nominated) November : April Admission (for self - financed)
134	IEBL Program (LL. M. in International Economic and Business Law)	Graduate School of Law		<input type="radio"/>				January : October Admission (for Japanese Government Scholarship) May : October Admission (for self - supporting) August : October Admission of the following year (for Embassy Nominated)
135	LL. D. Program	Graduate School of Law			<input type="radio"/>			January : October Admission (for Japanese Government Scholarship) May : October Admission (for self - supporting) August : October Admission of the following year (for Embassy Nominated)
136	YLP (Young Leaders' Program LL. M.)	Graduate School of Law		<input type="radio"/>				Only for recommended candidates
137	CSPA Program (Master of Laws in Comparative Studies of Politics and Administration in Asia)	Graduate School of Law		<input type="radio"/>				January : October Admission
138	International Master's / Doctoral Program in Economics (IMPE) / (IDPE)	Graduate School of Economics		<input type="radio"/>	<input type="radio"/>			May
139	International Masters' / Doctoral Program in the Graduate School of Science	Graduate School of Science		<input type="radio"/>	<input type="radio"/>			June
140	International Master's / Doctoral Program in Mathematics	Graduate School of Mathematics		<input type="radio"/>	<input type="radio"/>			April
141	International Doctoral Program in System Life Sciences	Graduate School of System Life Sciences			<input type="radio"/>			April
142	International Doctoral Program in Medical Science	Graduate School of Medical Sciences			<input type="radio"/>			August (First Application) December (Second Application)
143	International Master's Program in Asia Health Sciences	Graduate School of Medical Sciences		<input type="radio"/>				April

***The deadlines are subject to change. Please check the website of each university for the latest information.**

No.	Course title	Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
			Bachelor	Master's	Doctoral	Professional Master's		
Kyushu University	144 International Doctoral Program in Health Sciences	Graduate School of Medical Sciences			○			April
	145 International Doctoral Program in Dental Science	Graduate School of Dental Science			○			June (October admission), September, January (April admission)
	146 International Course in Graduate School of Pharmaceutical Sciences	Graduate School of Pharmaceutical Sciences		○	○			July (April and October admission for Master's and Doctoral programs) December (April and October admission for Doctoral program)
	147 International Master's / Doctoral Program in Chemical Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	148 International Master's / Doctoral Program in Applied Chemistry	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	149 International Master's / Doctoral Program in Materials Science and Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	150 International Master's / Doctoral Program in Civil and Structural Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	151 International Master's / Doctoral Program in Urban and Environmental Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	152 International Master's / Doctoral Program in Maritime Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	153 International Master's / Doctoral Program in Earth Resources Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	154 International Master's / Doctoral Program in Applied Quantum Physics and Nuclear Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	155 International Master's / Doctoral Program in Mechanical Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	156 International Master's / Doctoral Program in Hydrogen Energy Systems	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	157 International Master's / Doctoral Program in Aeronautics and Astronautics	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
	158 International Environmental Systems Engineering	Graduate School of Engineering			○			Only for recommended candidates
	159 International Graduate Course on Chemistry for Molecular Systems	Graduate School of Engineering			○			Only for recommended candidates
	160 Doctoral Program of Human Science International Course	Graduate School of Design			○			November (April Admission) May (October Admission)
	161 International Doctoral Program in Information Science and Electrical Engineering	Graduate School of Information Science and Electrical Engineering			○			January (April Admission) June (October Admission)
	162 International Master's Program in Applied Science for Electronics and Materials	Interdisciplinary Graduate School of Engineering Sciences		○				May (October admission)
	163 International Master's Program in Molecular and Material Sciences	Interdisciplinary Graduate School of Engineering Sciences		○				May (October admission)

	164	International Master's Program in Advanced Energy Engineering Science	Interdisciplinary Graduate School of Engineering Sciences		○				May (October admission)
	165	International Master's Program in Energy and Environmental Engineering	Interdisciplinary Graduate School of Engineering Sciences		○				May (October admission)
	166	International Master's Program in Earth System Science and Technology	Interdisciplinary Graduate School of Engineering Sciences		○				May (October admission)
	167	Intellectual Exchange and Innovation Program	Interdisciplinary Graduate School of Engineering Sciences			○			For MEXT scholarship applicants: November (October admission) For self - financed applicants : May (October admission)
	168	International Development Research Course	Graduate School of Bioresource and Bioenvironmental Sciences		○	○			November (for Japanese Government Scholarship) January, March, June (for Non - Japanese Government Scholarship)
	169	International Master's / Doctoral Program in Automotive Science	Graduate School of Integrated Frontier Sciences		○	○			May (October admission)
Keio University	170	GIGA (Global Information and Governance Academic) Program	Faculty of Policy Management / Faculty of Environment and Information Studies	○					February
	171	PEARL Programme	Faculty of Economics	○					December / February / April
	172	Sciences Po - Keio Double Degree Programme	Graduate School of Economics		○				July
	173	Graduate School of System Design and Management (SDM)	Graduate School of System Design and Management		○	○			May / September / January
	174	The Joint Japan / World Bank Graduate Scholarship Program Master's Degree Program in Taxation Policy and Management	Graduate School of Business and Commerce		○				October
	175	International Graduate Programs on Advanced Science and Technology	Graduate School of Science and Technology		○	○			December
	176	International Program for Environmental Innovators	Graduate School of Media and Governance		○	○			May / October
	177	International Advanced Degrees Course (IADC)	Graduate School of Media and Governance		○				May / October
	178	Graduate School of Media Design (Keio Media Design: KMD)	Graduate School of Media Design		○	○			May / September / January
Sophia University	179	Bachelor's Program in Green Science, Department of Materials and Life Sciences	Faculty of Science and Technology	○				*Second Application Only	First Application : December Second Application : May
	180	Bachelor's Program in Green Engineering, Department of Engineering and Applied Sciences	Faculty of Science and Technology	○				*Second Application Only	First Application : December Second Application : May
	181	Master's / Doctoral Program in Global Environmental Studies	Graduate School of Environmental Studies		○	○			September, April
	182	Department of Liberal Arts	Faculty of Liberal Arts	○				*Second Application Only	[Spring Entry] First Application : September, Second Application : December [Autumn Entry] First Application : December Second Application : May
	183	Master's Program in Linguistics (TESOL Course)	Graduate School of Languages and Linguistics		○				July, January
	184	Master's / Doctoral Program in Global Studies (GPGS)	Graduate School of Global Studies		○	○			September, April

***The deadlines are subject to change. Please check the website of each university for the latest information.**

No.	Course title	Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
			Bachelor	Master's	Doctoral	Professional Master's		
Sophia University	185 Master's / Doctoral Program in Green Science and Engineering	Graduate School of Science and Technology		○	○			September (PhD only), April
Meiji University	186 School of Global Japanese Studies, English Track	School of Global Japanese Studies	○				○	[Spring Admission] I September II November [Fall Admission] I February II April [Transfer] February
	187 Graduate School of Governance Studies, English Track, Public Policy Program, International Development Policy Program, Community Planning and Management Program	Graduate School of Governance Studies				○		June
	188 International Double Masters Program between Meiji University Graduate School's Department of Business Administration and Universiti Teknologi Malaysia Razak School of Engineering and Advanced Technology	Graduate School of Business Administration		○				I July II December
	189 MIMS Ph.D. Program	Graduate School of Advanced Mathematical Sciences			○			I June II December
	190 International Program in Architecture and Urban Design	Graduate School of Science and Technology		○				I June II November
	191 Graduate School of Global Governance	Graduate School of Global Governance			○			[Spring Admission] December* [Fall Admission] June
Waseda University	192 English - based Degree Studies September Admission Program (EDESSA)	School of Political Science and Economics	○				○	September Entry : February, October
	193 International Program in Science and Engineering	School of Fundamental Science and Engineering	○					September Entry : February, October
	194 International Program in Science and Engineering	School of Creative Science and Engineering	○					September Entry : February, October
	195 International Program in Science and Engineering	School of Advanced Science and Engineering	○					September Entry : February, October
	196 Contemporary Japanese Studies Program	School of Social Sciences	○					September Entry : February, October
	197 Global Studies in Japanese Cultures Program	School of Culture, Media, and Society	○					September Entry : February, October
	198 International Liberal Studies	School of International Liberal Studies	○					April Entry : September September Entry : January, March
	199 Political Science Course	Graduate School of Political Science		○	○			September Entry : March
	200 Global Political Economy Course	Graduate School of Economics		○	○			September Entry : March
	201 Economics Course	Graduate School of Economics		○	○			September Entry : March
	202 International Program in Science and Engineering	Graduate School of Fundamental Science and Engineering		○	○			April Entry : November September Entry : May
	203 International Program in Science and Engineering	Graduate School of Creative Science and Engineering		○	○			April Entry : November September Entry : May

Doshisha University	204	International Program in Science and Engineering	Graduate School of Advanced Science and Engineering		○	○		April Entry : November September Entry : May
	205	Contemporary Japanese Studies Program	Graduate School of Social Sciences		○	○		September Entry : February, October
	206	International Relations	Graduate School of Asia - Pacific Studies		○			April Entry : September September Entry : April
	207	International Studies	Graduate School of Asia - Pacific Studies			○		April Entry : September September Entry : April
	208	Information, Production and Systems Engineering	Graduate School of Information, Production and Systems		○	○		April Entry : June, September, December September Entry : January, May, December
	209	Sport Sciences	Graduate School of Sport Sciences				○	September Entry : May
	210	Commerce	Graduate School of Commerce				○	April Entry : December September Entry : May
	211	International MBA	Graduate School of Commerce (Waseda Business School)				○	September Entry : January, April, May, September, November
	212	MSc in Finance Program	Graduate School of Commerce (Waseda Business School)				○	September Entry : January, April, May, September, November
	213	WASEDA - NTU Double MBA Program	Graduate School of Commerce (Waseda Business School)				○	September Entry : January, March, November
	214	International Culture and Communication Studies	Graduate School of International Culture and Communication Studies		○	○		April Entry : September September Entry : April
	215	The Liberal Arts Program	The Institute for the Liberal Arts (Letters, Social Studies, Economics, Commerce, Law, Policy Studies)	○			○	October (April entry) / March (October entry)
	216	International Science and Technology Course	Graduate School of Science and Engineering		○	○		October (April entry) / March (October entry)
	217	International Science and Technology Course	Graduate School of Life and Medical Sciences		○	○		October (April entry) / March (October entry)
	218	American Studies Cluster (Master's Program)	Graduate School of Global Studies		○			August, January* (April entry) *For Applicants from inside Japan only
	219	American Studies Cluster (Doctoral Program)	Graduate School of Global Studies			○		August, January* (April entry) *For Applicants from inside Japan only January (October entry)
	220	Global Society Studies Cluster (Master's Program)	Graduate School of Global Studies		○			August, January* (April entry) *For Applicants from inside Japan only

No.	Course title	Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
			Bachelor	Master's	Doctoral	Professional Master's		
Doshisha University	221 Global Society Studies Cluster (Doctoral Program)	Graduate School of Global Studies			○			August, January* (April entry) *For Applicants from inside Japan only January (October entry)
	222 Global Business and Management Studies	Graduate School of Business		○				December, January, March, April, May, June* (October entry) *June is for Applicants from inside Japan only.
Ritsumeikan University	223 Global Studies Major	College of International Relations	○					April Admission - September 2016 September Admission - 1st : January 2017, 2nd : March 2017
	224 Community and Regional Policy Studies Major	College of Policy Science	○					September Admission - 1st : January 2017, 2nd : March 2017
	225 Information Systems Science and Engineering Course	College of Information Science and Engineering	○					April Admission - 1st : September 2016, 2nd : November 2016
	226 Global Cooperation Program	Graduate School of International Relations		○				April Admission - October September Admission - April
	227 Global and Japanese Perspectives Program	Graduate School of International Relations		○				April Admission - October September Admission - April
	228 Ph. D Program in International Relations	Graduate School of International Relations			○			April Admission - October September Admission - April
	229 Master's / Doctoral Program in Policy Science	Graduate School of Policy Science		○	○			April Admission - 1st period : June 2nd period : July/August 3rd period : January September Admission - 1st period : January 2nd period : June
	230 Master's Program in Economic Development	Graduate School of Economics		○				May / June
	231 Doctoral Program in Economic Development	Graduate School of Economics			○			May / June
	232 Doctoral Program in Technology Management	Graduate School of Technology Management			○			April Admission - October / November September Admission - May
	233 International Program for Science and Engineering	Graduate School of Science and Engineering		○	○			May / June
	234 International Program for Life Sciences	Graduate School of Life Sciences		○	○			June
	235 International Program for Information Science and Engineering	Graduate School of Information Science and Engineering		○	○			May / June

Global 30 Course List

As of 1st September, 2016

2. Course List by Disciplines (P. 14 - 31)

	University	No.	Course title	Name of Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
					Bachelor	Master's	Doctoral	Professional Master's		
Medicine, Dentistry and Pharmacy	Tohoku University	1	Interface Oral Health Science Course	Graduate School of Dentistry			○			June, November
		2	Basic Medicine Course	Graduate School of Medicine		○				August
		3	Network Medicine Course	Graduate School of Medicine			○			August
	University of Tsukuba	4	International Undergraduate - Education Program for Medical Scientists	School of Medicine and Medical Sciences (School of Medical Sciences)	○				○	February
		5	Master of Public Health Program	Graduate School of Comprehensive Human Sciences		○				September
		6	Dual Master's Degree Program	Graduate School of Comprehensive Human Sciences		○				September
		7	Special Selection of overseas residents	Graduate School of Comprehensive Human Sciences			○			September
	The University of Tokyo	8	Global Health Sciences : Program in International Health	Graduate School of Medicine		○	○			Master's Program : the beginning of July Doctoral Program (September admission) : the end of May - the beginning of June Doctoral Program (April admission) : the beginning of January
	Nagoya University	9	Medical Science Graduate Program	Graduate School of Medicine			○			May 25 (For October 2017 intake)
		10	Young Leaders' Program (YLP)	Graduate School of Medicine		○				October
		11	Transnational Doctoral Programs for Leading Professionals in Asian Countries	Graduate School of Medicine			○			May
		12	Biological and Bioagricultural Sciences Graduate Program	Graduate School of Medicine		○				January 30 (For October 2017 intake)
	Kyoto University	13	Global Frontier in Life Science	Graduate School of Medicine		○				July
		14	Global Frontier in Life Science	Graduate School of Medicine			○			September
	Kyushu University	15	International Doctoral Program in Medical Science	Graduate School of Medical Sciences			○			August (First Application) December (Second Application)
		16	International Master's Program in Asia Health Sciences	Graduate School of Medical Sciences		○				April
		17	International Doctoral Program in Health Sciences	Graduate School of Medical Sciences			○			April
		18	International Doctoral Program in Dental Science	Graduate School of Dental Sciences			○			June (October admission), September, January (April admission)
		19	International Course in Graduate School of Pharmaceutical Sciences	Graduate School of Pharmaceutical Sciences		○	○			July (April and October admission for Master's and Doctoral programs) December (April and October admission for Doctoral program)
	Doshisha University	20	International Science and Technology Course	Graduate School of Life and Medical Sciences		○	○			October (April entry) / March (October entry)
Life Science	Tohoku University	21	International Course of Life Sciences	Graduate School of Life Sciences		○	○		○	July, October
	University of Tsukuba	22	Interdisciplinary Program of Life and Environmental Sciences	School of Life and Environmental Sciences	○				○	January
		23	Biodiplomacy Course	Graduate School of Life and Environmental Sciences		○				July
		24	International Bioindustrial Sciences Course	Graduate School of Life and Environmental Sciences			○			January
		25	Arid Land Resources Sciences Course	Graduate School of Life and Environmental Sciences			○			January / April

The University of Tokyo	26	International Program in Agricultural Development Studies (IPADS)	Graduate School of Agricultural and Life Sciences		○	○		December (Round 1) and March (Round 2)
	27	Global Health Sciences : Program in International Health	Graduate School of Medicine		○	○		Master's Program : the end of June - the beginning of July Doctoral Program (September admission) : the end of May - the beginning of June Doctoral Program (April admission) : the beginning of January
	28	International Bioengineering Program	Graduate School of Engineering		○			September to November
	29	International Multidisciplinary Engineering Graduate Program : (Expanded MEM International Graduate Program)	Graduate School of Engineering		○	○		September to October
	30	International and Bioagricultural Sciences Graduate Program	Graduate School of Science / Graduate School of Bioagricultural Sciences		○	○		Master : January 30 Doctoral : January 30, May 25 (For October, 2017 intake)
	31	Biological Science Program	School of Science / School of Agricultural Science	○				December 26, February 22 (For October 2017 intake)
	32	Global Frontier in Life Science	Graduate School of Biostudies		○			May
	33	Global Frontier in Life Science	Graduate School of Biostudies			○		May
	34	Chemistry - Biology Combined Major Program	School of Science, School of Engineering, School of Engineering Science	○				January
	35	Special Integrated Science Course	Graduate School of Science		○	○		December
Nagoya University	36	Chemical Science Course	Graduate School of Engineering		○	○		Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
	37	International Doctoral Program in Systems Life Sciences	Graduate School of Systems Life Sciences			○		April
	38	Bachelor's Program in Green Science, Department of Materials and Life Sciences	Faculty of Science and Technology	○			*Second Application Only	First Application : December Second Application : May
	39	Master's / Doctoral Program in Green Science and Engineering	Graduate School of Science and Technology		○	○		September (PhD only), April
	40	International Program in Science and Engineering	School of Advanced Science and Engineering	○				September Entry : February, October
	41	International Program in Science and Engineering	School of Creative Science and Engineering	○				September Entry : February, October
	42	International Science and Technology Course	Graduate School of Life and Medical Sciences		○	○		October (April entry) / March (October entry)
	43	International Program for Life Sciences	Graduate School of Life Sciences		○	○		June
	44	Applied Marine Biology Course	Faculty of Agriculture	○				May
	45	Interdisciplinary Program of Life and Environmental Sciences	School of Life and Environmental Sciences	○			○	January
Agriculture	46	International Bioindustrial Sciences Course	Graduate School of Life and Environmental Sciences			○		January
	47	Arid Land Resources Sciences Course	Graduate School of Life and Environmental Sciences			○		January / April
	48	Professional Training Program in International Agricultural Research	Graduate School of Life and Environmental Sciences		○			January
	49	Biodiplomacy Course	Graduate School of Life and Environmental Sciences		○			July
	50	International Program in Agricultural Development Studies (IPADS)	Graduate School of Agricultural and Life Sciences		○	○		December (Round 1) and March (Round 2)

***The deadlines are subject to change. Please check the website of each university for the latest information.**

	University	No.	Course title	Name of Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
					Bachelor	Master's	Doctoral	Professional Master's		
Agriculture	Nagoya University	51	Transnational Doctoral Programs for Leading Professionals in Asian Countries	Graduate School of Bioagricultural Sciences			○			July
	Kyoto University	52	Special Course in Agricultural Sciences - For the Global Future of Life, Food and the Environment	Graduate School of Agriculture		○	○			February (October intake) & August (April intake)
	Kyushu University	53	International Undergraduate Program, in Bioresource and Bioenvironment	School of Agriculture	○					January
		54	International Development Research Course	Graduate School of Bioresource and Bioenvironmental Sciences		○	○			November (For Japanese Government Scholarship), January, March, June (For Non - Japanese Government Scholarship)
Energy	The University of Tokyo	55	Specially - Promoted Graduate Program for Creation of the Asian Engineering Framework Based on Tripolar Alliances among Japan, China and Korea	Graduate School of Engineering			○			T. B. A.
		56	International Multidisciplinary Engineering Graduate Program	Graduate School of Engineering		○	○			September to November
	Kyoto University	57	International Energy Science Course	Graduate School of Energy Science		○	○			Master's : February (October intake) Doctoral : February (October intake) & July (April intake)
	Kyushu University	58	International Master's / Doctoral Program in Hydrogen Energy Systems	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		59	International Master's Program in Advanced Energy Engineering Science	Interdisciplinary Graduate School of Engineering Sciences		○				May (October Admission)
		60	International Master's Program in Energy and Environmental Engineering	Interdisciplinary Graduate School of Engineering Sciences		○				May (October Admission)
		61	International Master's Program in Automotive Science	Graduate School of Integrated Frontier Sciences		○	○			May (October admission)
	Waseda University	62	International Program in Science and Engineering	Graduate School of Advanced Science and Engineering		○	○			April Entry : November September Entry : May
	Doshisha University	63	International Science and Technology Course	Graduate School of Science and Engineering		○	○			October (April entry) / March (October entry)
	Osaka University	64	Chemical Science Course	Graduate School of Engineering		○	○			Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
	Tohoku University	65	International Environmental Leadership Program	Graduate School of Environmental Studies		○	○			May
		66	International Post - Graduate Program in Human Security	Graduate School of Medicine / Graduated School of Environmental Studies / Graduate School of Agricultural Science / Graduate School of International Cultural Studies		○	○			August
	University of Tsukuba	67	Interdisciplinary Program of Life and Environmental Sciences	School of Life and Environmental Sciences	○				○	January
		68	International Bioindustrial Sciences Course	Graduate School of Life and Environmental Sciences			○			January
		69	Sustainability Sciences, Technology, and Policy Program (SUSTEP)	Graduate School of Life and Environmental Sciences		○	○			April
		70	Arid Land Resources Sciences Course	Graduate School of Life and Environmental Sciences			○			January / April
		71	International Agricultural Sciences Program	Graduate School of Life and Environmental Sciences			○			January
Environmental Studies	The University of Tokyo	72	PEAK - International Program on Environmental Sciences	College of Arts and Sciences	○					October to November
		73	Graduate Program on Environmental Sciences (GPES)	Graduate School of Arts and Sciences		○	○			Schedule 1 : November Schedule 2 : June - July

	74	Graduate Programs for International Students in Urban and Environmental Studies	Graduate School of Engineering		○	○		September to November
	75	International Graduate Program in the Field of Civil Engineering and Infrastructure Studies	Graduate School of Engineering		○	○		September to November
	76	Specially - Promoted Graduate Program for Creation of the Asian Engineering Framework Based on Tripolar Alliances among Japan, China and Korea	Graduate School of Engineering			○		T. B. A.
	77	International Program in Agricultural Development Studies (IPADS)	Graduate School of Agricultural and Life Sciences		○	○		December (Round 1) and March (Round 2)
	78	Environmental Studies Program - Asian Development Bank (ADB) Japan Scholarship Program	Graduate School of Frontier Sciences		○			By early December for fall enrolment of the following year
	79	Graduate Program in Sustainability Science - Global Leadership Initiative (GPSS - GLI)	Graduate School of Frontier Sciences		○	○		By late November for fall enrolment of the following year
	80	Global Health Sciences : Program in International Health	Graduate School of Medicine		○	○		Master's Program : the end of June - the beginning of July Doctoral Program (September admission) : the end of May - the beginning of June Doctoral Program (April admission) : the beginning of January
Nagoya University	81	Nagoya University Global Environmental Leaders Program (NUGELP)	Graduate School of Environmental Studies		○	○		July, January
	82	Nagoya University Global Environmental Leaders Program (NUGELP)	Graduate School of Engineering		○	○		Master : June, July Doctoral : July, January
Kyoto University	83	International Environmental Management Program	Graduate School of Global Environmental Studies		○	○		July December
Kyushu University	84	International Master's / Doctoral Course in Sustainable Architecture and Urban Systems	Graduate School of Human - Environment Studies		○	○		December (April Admission) June (October Admission)
	85	International Master's / Doctoral Program in Urban and Environmental Engineering	Graduate School of Engineering		○	○		April (Master's Program), June (Doctoral Program)
	86	International Environmental Systems Engineering	Graduate School of Engineering			○		Only for recommended candidates
	87	International Master's Program in Energy and Environmental Engineering	Interdisciplinary Graduate School of Engineering Sciences		○			May (October Admission)
	88	International Master's Program in Earth System Science and Technology	Interdisciplinary Graduate School of Engineering Sciences		○			May (October Admission)
	89	International Undergraduate Program, Department of Bioresource and Bioenvironment	School of Agriculture	○				January
	90	International Development Research Course	Graduate School of Bioresource and Bioenvironmental Sciences		○	○		November (for Japanese Government Scholarship) January, March, June (for Non - Japanese Government Scholarship)
	91	International Master's / Doctoral Program in Automotive Science	Graduate School of Integrated Frontier Sciences		○	○		May (October admission)
Keio University	92	GIGA (Global Information and Governance Academic) Program	Faculty of Environment and Information Studies	○				February
	93	Graduate School of System Design and Management (SDM)	Graduate School of System Design and Management		○	○		May, September, January
	94	International Advanced Degrees Course (IADC)	Graduate School of Media and Governance		○	○		May, October
	95	International Program for Environmental Innovators	Graduate School of Media and Governance		○	○		May, October
	96	Graduate School of Media Design (Keio Media Design: KMD)	Graduate School of Media Design		○	○		May, September, January
Sophia University	97	Master's / Doctoral Program in Global Environmental Studies	Graduate School of Environmental Studies		○	○		September, April

***The deadlines are subject to change. Please check the website of each university for the latest information.**

	University	No.	Course title	Name of Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
					Bachelor	Master's	Doctoral	Professional Master's		
Environmental Studies	Sophia University	98	Bachelor's Program in Green Engineering, Department of Engineering and Applied Sciences	Faculty of Science and Technology	○				*Second Application Only	First Application : December Second Application : May
		99	Bachelor's Program in Green Science, Department of Materials and Life Sciences	Faculty of Science and Technology	○				*Second Application Only	First Application : December Second Application : May
		100	Master's / Doctoral Program in Green Science and Engineering	Graduate School of Science and Technology		○	○			September (PhD only), April
	Waseda University	101	Contemporary Japanese Studies Program	School of Social Sciences	○					September Entry : February, October
		102	Contemporary Japanese Studies Program	Graduate School of Social Sciences		○	○			September Entry : February, October
		103	International Relations	Graduate School of Asia - Pacific Studies		○				April Entry : September September Entry : April
		104	International Studies	Graduate School of Asia - Pacific Studies			○			April Entry : September September Entry : April
		105	International Program in Science and Engineering	School of Creative Science and Engineering	○					September Entry : February, October
		106	International Program in Science and Engineering	Graduate School of Creative Science and Engineering		○	○			April Entry : November September Entry : May
	Doshisha University	107	International Science and Technology Course	Graduate School of Science and Engineering		○	○			October (April entry) / March (October entry)
	Osaka University	108	Chemical Science Course	Graduate School of Engineering		○	○			Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
Engineering	Tohoku University	109	International Mechanical and Aerospace Engineering Course	School of Engineering	○					May
		110	International Mechanical and Aerospace Engineering Course	Graduate School of Engineering		○	○			Early January, Late June
		111	International Materials Science and Engineering Course	Graduate School of Engineering		○				Early January
		112	International Doctoral Program in Engineering, Information Sciences, Environmental Studies and Biomedical Engineering	Graduate School of Engineering / Graduate School of Information Sciences / Graduated School of Environmental Studies / Graduate School of Biomedical Engineering			○			May
	University of Tsukuba	113	Materials Science and Engineering Course	Graduate School of Pure and Applied Sciences		○				July / January
		114	Nano Science Course	Graduate School of Pure and Applied Sciences		○				July / January
		115	Materials Science Course	Graduate School of Pure and Applied Sciences		○				July / January
	The University of Tokyo	116	International Graduate Program in the Field of Civil Engineering and Infrastructure Studies	Graduate School of Engineering		○	○			September to November
		117	International Multidisciplinary Engineering Graduate Program	Graduate School of Engineering		○	○			September to November
		118	Special Graduate Program in Resilience Engineering	Graduate School of Engineering		○	○			September to November
		119	Graduate Programs for International Students in Urban and Environmental Studies	Graduate School of Engineering		○	○			September to November
		120	Specially - Promoted Graduate Program for Creation of the Asian Engineering Framework Based on Tripolar Alliances among Japan, China and Korea	Graduate School of Engineering			○			T. B. A.
		121	International Bioengineering Program	Graduate School of Engineering		○				September to November
		122	Architecture and Urban Design Program	Graduate School of Engineering		○				September to November

	123	International Technology Management Program in the Department of Technology Management for Innovation (TMI)	Graduate School of Engineering		○				September to November
	124	The English Program in Information Science and Technology	Graduate School of Information Science and Technology		○	○			June and December Note : Department of Mathematics, Department of Information Physics & Computing, Department of Mechano - Informatics of Master's program application period is only once a year (June)
Nagoya University	125	Automotive Engineering Program	School of Engineering	○					December 26, February 22 (For October 2017 intake)
	126	Fundamental and Applied Physics Program	School of Engineering	○					December 26, February 22 (For October 2017 intake)
	127	Chemistry Program	School of Engineering	○					December 26, February 22 (For October 2017 intake)
	128	Automotive Engineering Graduate Program	Graduate School of Engineering		○				January 30 (For October 2017 intake)
	129	Chemistry Graduate Program	Graduate School of Engineering		○	○			Master : January 30, Doctoral : January 30, May 25 (For October 2017 intake)
Kyoto University	130	Undergraduate International Course Program of Civil Engineering	Faculty of Engineering	○					August - September (2016*)
	131	International Course in Management of Civil Infrastructure in the Department of Civil and Earth Resources Engineering	Graduate School of Engineering		○				May - June
	132	International Course in Urban and Regional Development in the Department of Urban Management	Graduate School of Engineering		○				May - June
Osaka University	133	Chemistry - Biology Combined Major Program	School of Science , School of Engineering , School of Engineering Science	○					January
	134	Special Program of "Engineering Science 21 st Century"	Graduate School of Engineering Science		○	○			Fall Admission : July Spring Admission : December
	135	Biotechnology Global Human Resource Development Program	Graduate School of Engineering		○	○			Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
	136	International Program of Maritime and Urban Engineering	Graduate School of Engineering		○	○			Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
	137	International Priority Graduate Program of "Quantum Engineering Design Course"	Graduate School of Engineering		○	○			Master's : November and May Doctoral : November and July

	University	No.	Course title	Name of Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
					Bachelor	Master's	Doctoral	Professional Master's		
Engineering	Osaka University	138	Chemical Science Course	Graduate School of Engineering		○	○			Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
	Kyushu University	139	International Undergraduate Program in Electrical Engineering and Computer Science	School of Engineering	○					January
		140	International Undergraduate Program in Applied Chemistry	School of Engineering	○					January
		141	International Undergraduate Program in Civil Engineering	School of Engineering	○					January
		142	International Undergraduate Program in Mechanical and Aerospace Engineering	School of Engineering	○					January
		143	International Master's / Doctoral Program in Applied Chemistry	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		144	International Master's / Doctoral Program in Materials Science and Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		145	International Master's / Doctoral Program in Chemical Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		146	International Master's / Doctoral Program in Civil and Structural Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		147	International Master's / Doctoral Program in Urban and Environmental Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		148	International Master's / Doctoral Program in Maritime Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		149	International Master's / Doctoral Program in Earth Resources Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		150	International Master's / Doctoral Program in Applied Quantum Physics and Nuclear Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		151	International Master's / Doctoral Program in Mechanical Engineering	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		152	International Master's / Doctoral Program in Hydrogen Energy Systems	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		153	International Master's / Doctoral Program in Aeronautics and Astronautics	Graduate School of Engineering		○	○			April (Master's Program), June (Doctoral Program)
		154	International Environmental Systems Engineering	Graduate School of Engineering			○			Only for recommended candidates
		155	International Graduate Course on Chemistry for Molecular Systems	Graduate School of Engineering			○			Only for recommended candidates
		156	Doctoral Program of Human Science International Course	Graduate School of Design			○			November (April Admission) May (October Admission)
		157	International Doctoral Program in Information Science and Electrical Engineering	Graduate School of Information Science and Electrical Engineering			○			January (April Admission) June (October Admission)
		158	International Master's Program in Applied Science for Electronics and Materials	Interdisciplinary Graduate School of Engineering Sciences		○				May (October Admission)
		159	International Master's Program in Molecular and Material Sciences	Interdisciplinary Graduate School of Engineering Sciences		○				May (October Admission)
		160	International Master's Program in Advanced Energy Engineering Science	Interdisciplinary Graduate School of Engineering Sciences		○				May (October Admission)
		161	International Master's Program in Energy and Environmental Engineering	Interdisciplinary Graduate School of Engineering Sciences		○				May (October Admission)
		162	International Master's Program in Earth System Science and Technology	Interdisciplinary Graduate School of Engineering Sciences		○				May (October Admission)

Information and Communication Technology		163	International Master's / Doctoral Program in Automotive Science	Graduate School of Integrated Frontier Sciences		○	○		May (October admission)
		164	Intellectual Exchange and Innovation Program	Interdisciplinary Graduate School of Engineering Sciences			○		For MEXT scholarship applicants : November (October admission) For self - financed applicants : May (October admission)
	Keio University	165	GIGA (Global Information and Governance Academic) Program	Faculty of Environment and Information Studies	○				February
		166	Graduate School of System Design and Management (SDM)	Graduate School of System Design and Management		○	○		May, September, January
		167	International Graduate Programs on Advanced Science and Technology	Graduate School of Science and Technology		○	○		December
		168	International Advanced Degrees Course (IADC)	Graduate School of Media and Governance		○			May, October
		169	International Program for Environmental Innovators	Graduate School of Media and Governance		○	○		May, October
		170	Graduate School of Media Design (Keio Media Design: KMD)	Graduate School of Media Design		○	○		May, September, January
	Sophia University	171	Bachelor's Program in Green Engineering, Department of Engineering and Applied Sciences	Faculty of Science and Technology	○			*Second Application Only	First Application : December Second Application : May
		172	Master's / Doctoral Program in Green Science and Engineering	Graduate School of Science and Technology		○	○		September (PhD only), April
	Waseda University	173	International Program in Science and Engineering	School of Fundamental Science and Engineering	○				September Entry : February, October
		174	International Program in Science and Engineering	School of Creative Science and Engineering	○				September Entry : February, October
		175	International Program in Science and Engineering	School of Advanced Science and Engineering	○				September Entry : February, October
		176	International Program in Science and Engineering	Graduate School of Fundamental Science and Engineering		○	○		April Entry : November September Entry : May
		177	International Program in Science and Engineering	Graduate School of Creative Science and Engineering		○	○		April Entry : November September Entry : May
		178	International Program in Science and Engineering	Graduate School of Advanced Science and Engineering		○	○		April Entry : November September Entry : May
	Doshisha University	179	International Science and Technology Course	Graduate School of Science and Engineering		○	○		October (April entry) / March (October entry)
	Ritsumeikan University	180	International Program for Science and Engineering	Graduate School of Science and Engineering		○	○		June
	Tohoku University	181	Information Technology and Science Course	Graduate School of Information Sciences		○			Early January and July
		182	Data Sciences Program	Graduate School of Information Sciences / Graduate School of Life Sciences / Graduate School of Economics and Management / School of Engineering		○	○		January
	University of Tsukuba	183	Computer Science English Program	Graduate school of Systems and Information Engineering		○			July, January
		184	Lis English Program	Graduate school of Library information and Media Studies		○			December
		185	English Program	Graduate School of Library, Information and Media Studies			○		December
	The University of Tokyo	186	The English Program in Information Science and Technology	Graduate School of Information Science and Technology		○	○		June and December Note : Department of Mathematics, Department of Information Physics & Computing, Department of Mechano - Informatics of Master's program application period is only once a year (June)
	Kyoto University	187	International Course in Intelligence Science and Technology	Graduate School of Informatics		○	○		June
		188	International Course in Social Informatics	Graduate School of Informatics		○	○		June

***The deadlines are subject to change. Please check the website of each university for the latest information.**

	University	No.	Course title	Name of Undergraduate / Graduate Schools	Degree sought				Transfer	Application Deadline*
					Bachelor	Master's	Doctoral	Professional Master's		
Information and Communication Technology	Kyoto University	189	International Course in Communications and Computer Engineering	Graduate School of Informatics		○	○			June
	Osaka University	190	Information Technology Special Course in English	Graduate School of Information Science and Technology		○	○			Fall Admission : May Spring Admission : October
	Kyushu University	191	International Doctoral Program in Information Science and Electrical Engineering	Graduate School of Information Science and Electrical Engineering			○			February (April Admission) July (October Admission)
	Keio University	192	GI&A (Global Information and Governance Academic) Program	Faculty of Environment and Information Studies	○					February
		193	Graduate School of System Design and Management (SDM)	Graduate School of System Design and Management		○	○			May, September, January
		194	International Graduate Programs on Advanced Science and Technology	Graduate School of Science and Technology		○	○			December
		195	International Advanced Degrees Course (IADC)	Graduate School of Media and Governance		○				May, October
		196	International Program for Environmental Innovators	Graduate School of Media and Governance		○	○			May, October
		197	Graduate School of Media Design (Keio Media Design: KMD)	Graduate School of Media Design		○	○			May, September, January
		198	International Program in Science and Engineering	School of Fundamental Science and Engineering	○					September Entry : February, October
	Waseda University	199	International Program in Science and Engineering	Graduate School of Fundamental Science and Engineering		○	○			April Entry : November September Entry : May
		200	Information, Production and Systems Engineering	Graduate School of Information, Production and Systems		○	○			April Entry : June, September, December September Entry : January, May, December
		201	International Program in Science and Engineering	Graduate School of Fundamental Science and Engineering		○	○			April Entry : November September Entry : May
	Doshisha University	202	International Science and Technology Course	Graduate School of Science and Engineering		○	○			October (April entry) / March (October entry)
	Ritsumeikan University	203	Information Systems Science and Engineering Course	College of Information Science and Engineering	○					April Admission - 1st : September 2016, 2nd : November 2016
		204	International Program for Information Science and Engineering	Graduate School of Information Science and Engineering		○	○			May / June
Others (Science)	Tohoku University	205	Advanced Molecular Chemistry Course	Faculty of Science	○					May
		206	International Graduate Program for Advanced Science	Graduate School of Science		○	○			November
	University of Tsukuba	207	Physics Course	Graduate School of Pure and Applied Sciences		○				July
		208	Nano Chemistry Course	Graduate School of Pure and Applied Sciences		○				July
	The University of Tokyo	209	PEAK - International Program on Environmental Sciences	College of Arts and Sciences	○					October to November
		210	Global Science Course (GSC) Undergraduate Transfer Program [Department of Chemistry]	Faculty of Science	○				○	Early April (Fall admission)
		211	Graduate Program on Environmental Sciences (GPES)	Graduate School of Arts and Sciences		○	○			Schedule 1 : November Schedule 2 : June - July
		212	Global Science Graduate Course (GSGC)	Graduate School of Science		○				November - January
		213	Master's / Ph. D Program at Frontier Science Research Centers	Graduate School of Science		○	○			November - December

	214	Graduate Program for International Students	Graduate School of Science		○	○			For university - recommended MEXT scholarship applicants : November - December / For embassy - recommended MEXT scholarship applicants : August / For all other : October for April enrollment, April for September enrollment
	215	Environmental Studies Program - Asian Development Bank (ADB) Japan Scholarship Program	Graduate School of Frontier Sciences		○				By early December for fall enrolment of the following year
	216	Graduate Program in Sustainability Science - Global Leadership Initiative (GPSS - GLI)	Graduate School of Frontier Sciences		○	○			By early December for fall enrolment of the following year
Nagoya University	217	Fundamental and Applied Physics Program	School of Science	○					December 26, February 22 (For October 2017 intake)
	218	Chemistry Program	School of Science	○					December 26, February 22 (For October 2017 intake)
	219	Physics and Mathematics Graduate Program	Graduate School of Science / Graduate School of Mathematics		○	○			Master : January 30, Doctoral : January 30, May 25 (For October 2017 intake)
	220	Chemistry Graduate Program	Graduate School of Science		○	○			Master : January 30, Doctoral : January 30, May 25 (For October 2017 intake)
	221	Civil and Environmental Engineering Graduate Program	Graduate School of Engineering		○	○			Master : January 30, Doctoral : January 30, May 25 (For October 2017 intake)
Kyoto University	222	International Course in Primatology and Wildlife Research	Graduate School of Science (Primate Research Institute)		○	○			October April
Osaka University	223	Chemistry - Biology Combined Major Program	School of Science, School of Engineering, School of Engineering Science	○					January
	224	International Physics Course	Graduate School of Science		○	○			December and July
	225	Special Integrated Science Course	Graduate School of Science		○	○			December
	226	Special Program of "Engineering Science 21 st Century"	Graduate School of Engineering Science		○	○			Fall Admission : July Spring Admission : December
	227	Chemical Science Course	Graduate School of Engineering		○	○			Master's : December (for Japanese Government Scholarship students), November and May (for privately - funded students) Doctoral : November and July
Kyushu University	228	International Master's / Doctoral Program in Integrated Science for Global Society	Graduate School of Integrated Sciences for Global Society		○	○			January (April and October Admission) May (October Admission)
	229	International Master's / Doctoral Program in the Graduate School of Science	Graduate School of Science		○	○			June
	230	International Master's / Doctoral Program in Mathematics	Graduate School of Mathematics		○	○			April
	231	Doctoral Program of Human Science International Course	Graduate School of Design			○			November (April Admission) May (October Admission)

***The deadlines are subject to change. Please check the website of each university for the latest information.**
