

High School Tuition Support Fund System

will help high school students !

High School Tuition Support Funds (tuition support that does not need to be repaid) will help high school students!

The revision above will be applied to the schools that are currently eligible for the support funds.

Currently enrolled students who entered high school before the 2020 school year are also eligible for the revision.

* Students who are receiving funding under the system for the 2013 school year or before are not eligible.

The website of Ministry of Education, Culture, Sports, Science and Technology posts detailed information on each funding system, contact information for the prefectural offices and the latest information on the system.

How to apply

(New students)

The school will provide you with an application guideline during the period when you need to complete the application procedures, such as **April, the month of enrollment**. Please confirm the necessary procedures.

(Currently enrolled students)

The school will provide you with a notification **around July when you are required to submit the statement of your family's annual income**.

* You will be able to submit the application forms online. You can easily submit it if you have My Number Cards.

Criteria for those who are eligible

- The amount of funding is determined by the following math formula (total amount of parents)

[Math formula] **Amount of tax base of municipal inhabitant tax × 6% – Amount of adjusted deduction from municipal inhabitant tax**

* In the case of designated cities, the amount of funding will be calculated by multiplying the amount of adjusted deduction by ¾.

Calculated by the above < **154,500 yen**

(154,500 yen or more)

< **304,200 yen**

Funding provided: max. 396,000 yen

Funding provided: 118,800 yen

You can confirm your tax information in "Your Information" by logging into "MynaPortal". (Your My Number Card is required.)

MynaPortal website

マイナポータルHP

(Reference) Guideline for household annual income eligible for support funding

	Number of children	Funding of 118,800 yen	Funding of 396,000 yen
One of the parents works	2 children (2 high school students) <small>Two eligible for deduction as dependents</small>	Up to around 9.5 million yen	Up to around 6.4 million yen
	2 children (university, high school) <small>One eligible for deduction as dependent, and the other eligible for special deduction as dependent</small>	Up to around 9.6 million yen	Up to around 6.5 million yen
Both parents work	2 children (high school, junior high school or lower) <small>One eligible for deduction as dependent</small>	Up to around 10.3 million yen	Up to around 6.6 million yen
	2 children (2 high school students) <small>Two eligible for deduction as dependents</small>	Up to around 10.7 million yen	Up to around 7.2 million yen
	2 children (university, high school) <small>One eligible for deduction as dependent, and the other eligible for special deduction as dependent</small>	Up to around 10.9 million yen	Up to around 7.4 million yen

* The amount of funding is based on the case of a private high school student (full-time).

* Junior high school or lower indicates children at the age of 15 or younger; high school at the age of 16–18; and university at the age of 19–22.

* The calculation above is based on the assumption that the family earns its income only from employment. In the case where both parents have a job, the amount of funding is calculated based on the supposition that the incomes of both would be the same amount.

Contact Information

If you have any question, please contact your school or prefectural office.

Contact information for each prefectural office is listed below. (※In Japanese)
