3. Details of courses

Authorized course	Course Type	Concrete education content
Japanese Language Program	Combined	The Program focuses throughout on helping students build up their proficiency in the Japanese language with a view to their future studies in the specialized fields. It offers a wide range of study levels and subjects, making it easy for students to find a curriculum that fits their needs. The Program is chiefly designed for students who are currently enrolled in, or are graduates of, an undergraduate degree program at university. The Program does not offer any preparatory courses for students who plan to apply for undergraduate programs at Japanese universities.
