

Shun found some interesting medicines on the Internet.

シュンは面白い(架空の)薬をインターネットで見つけました。

### Gulliver (L \$100 / S \$50)

There are two types. Gulliver L makes you bigger, and Gulliver S makes you smaller.

Jon <Gulliver S> ★☆☆☆☆

“Ouch! It really hurts. Won't buy again.”

Katherine <Gulliver L> ★☆☆☆☆

“What a different world! But be careful. My parents were angry that I broke our roof.”

### The Invisible \$50

Take one, and nobody can see you for 10-30 minutes.

Gail ★★☆☆☆

“Not bad. But the problem is... you don't know when you will become visible.”

### Animal Talker \$30

The medicine lets you talk with animals.

Tom ★★★★★

“How cool! Animal Talker helps me understand my cat's feelings. I'm glad that I bought this.”

## Check

Which should you use?

- |  |   |                 |
|--|---|-----------------|
| (1) Your pet is sick.                          | ● | ● Gulliver      |
| (2) You want to hide.                          | ● | ● The Invisible |
| (3) You want to get something in a high place. | ● | ● Animal Talker |

## Talk

Which medicine(s) do you want to try? And why?
