

Which Way is Best?

Emily wants to go to Sakura-machi Park to see cherry blossoms. She asked her host family members how to get there. Each one gave her different advice.

エミリーは Sakura-machi Park に桜を見に行きたがっています。彼女はホストファミリーに行き方を尋ねました。それぞれは違ったアドバイスをくれました。

Keisuke

If I were you, I would take the train for Momiji-machi via Takemaru. It's the fastest route. It has less stops.

Mom

If I were you, I'd ride the bus. The bus stop is just in front of our house, so you don't have to carry your bags to the station. But the bus is often late because of heavy traffic.

Dad

If I were you, I'd use the train that goes by Chuo Stadium. It costs a little more than Keisuke's idea, but it's not crowded.

Miki

If I were you, I would take the seaside route. The ocean view is beautiful.
