

WASH HANDS WITH PIKOTARO

Sing-a-long "PPAP-2020-" with PIKOTARO,
and enjoy washing your hands!

Before washing hands

Cut your nails short.

Let's wash
for at least
20 seconds

After washing with soap, rinse well with water,
and dry hands with towels.

The above procedures follow the guidelines of handwashing
by Ministry of Health, Labor and Welfare of Japan.

Let's prevent the spread of infection not just by handwashing,
but also by wearing masks.
