

EDU-Port Symposium

# Changes in Student Learning in the Post-COVID Era

March 3 (Fri), 2023 14:00-17:30

Participation : In person or Online

(Venue) Zenkokutoshikaikan Building , 2-4-2 Hirakawa-cho, Chiyoda-ku, Tokyo

<https://www.toshikaikan.or.jp/access/>

(Online) Zoom Webinar

Languages : Japanese with English simultaneous translation

Organized by: Ministry of Education, Culture, Sports, Science and Technology (MEXT)

The COVID-19 pandemic has drastically changed the learning environment of children. The EDU-Port Symposium will share the international experiences of 3 organizations which have been working to guarantee equitable quality education to all children in the Post-COVID era. Furthermore, we would like to explore with the participants how we can ensure children's learning in our unpredictable world through the panel discussion.
