## INTRODUCTION

1. In its 211 EX/Decision 10, the Executive Board approved the revised General Guidelines of the Memory of the World (MoW) Programme (hereinafter “General Guidelines”) as well as the amended Statutes of the International Advisory Committee (IAC) of the MoW Programme (hereinafter “Statutes”).
2. The IAC comprises 14 international experts, chosen for their expertise in safeguarding documentary heritage. The members of the IAC are appointed by the Director-General and serve in a personal capacity, not as representatives of States or any other affiliated entities. They will not seek or accept instructions from governments or other authorities.
3. In line with Article 2 of the Statutes and Section 5.1.1 of the General Guidelines, the IAC is responsible for advising UNESCO on the planning and implementation of the MoW Programme as a whole. Its responsibility includes recommending documentary heritage for inscription on the Memory of the World International Register as specified in Article 2 of the Statutes and Section 8 of the General Guidelines. In particular, according to Section 8.5.3.5.4 of the General Guidelines, the IAC will recommend to the Director-General to include an item on the agenda of the Executive Board which will propose that the Executive Board endorse the nominations decided upon by the IAC for items to be inscribed on the Memory of the World International Register.
4. At its fifteenth ordinary session held from 26 to 28 February 2025 at the IIEP-UNESCO (International Institute for Educational Planning) in Paris, France, the IAC assessed 119 new nominations submitted by Member States and International Organizations, regarding various items of documentary heritage for possible inscription on the Memory of the World International Register.
